Pt I L	.ne 2 WEEMA	A starts working	g with an a	agenda in	place to	do fundra	ising :	for	the

projects and initiatives that will turn the community's dreams into realities. The Organization implements a series of projects, rather than just one, as one projects often builds another one. For instance, once a village has access to clean water, its daughters - who often serve as water carriers - can begin attending school. By remaining in the community over the long term, WEEMA brings the water but remains to build the school. Assistance and grants provided to the local communities are being strictly monitored by the Organization's Board of Directors.
